Region, State, U. S. Endorse Sewer Program by 4 Townships

(Editorial on page 10)
Appearing before Southwestern Illinois Metropolitan Area Planning Commission officials and Illinois and U. S. administrators Thursday night, Quad-City township supervisors won unanimous regional-state-federal approval of a \$12,257,250 program for construction of interceptor and collector sanitary sewers, the Press-Record has learned.

The plan which will be recommended for authorization and funding is the "blue map," one of three color-coded charts considered.

Chouteau-Namecki-Venice-Granite City Townships but several modifications are to be included.

Sewer service is to be provided for the Benjamin Addition, Mitchell, Pontoon Beach, Stallings, East Madison, Cloverleaf, Eagle Park, State Park Place, developed fringe areas north and east of Granite City and the section east of Illinois Route 111.

A strong plus factor cited in the plan is convenient sewer service for the Bi-State Development Agency

and Tri-City Regional Port District harbor facilities and potential industrial parks in the area east of the port area and Chain of Rocks Canal.

Advocates see the prospect of sewers in areas long denied such service as encouraging a sharp increase in residential, commercial and manufacturing development.

The "blue map" calls for township-built interceptor lines to lead to the present Granite City sewage treatment plant.

The project is to be separated from the city's task of upgrading the treatment facilities from primary to secondary treatment of sewage discharged into the Mississippi River. The city treatment plant is located at the Granite City Army installation.

A yellow chart or Plan B called for construction of interceptor lines by the city government, with four outlets and existing sanitary sewage from collector lines that would be installed by the townships.

A red map or Plan C provided for township collectors, interceptors to be routed to the east and south of the Quad-

Cities toward a line connected with the Lansdowne treatment plant of the East Side Levee and Sanitary District. This would omit the port and canal area west of the Quad-Cities. Letters outlining the officials' evaluation of the sewer proposals are to be sent to the townships, city, Madison County government, state and federal agencies and the East-West Gateway Coordinating Council, the group which screens requests for financial assistance.

For treatment plant upgrading, interceptor sewers and pumping stations, it is hoped to obtain federal grants of 20% and state grants of 20% of the cost, a total of 40%. In all three cases, the money is to come from environmental protection appropriations.

For collector sewers, plans call for 50% from the Department of Housing and Urban Development.

Those at the sewer hearing included: Southwestern Illinois Metropolitan Area Planning Commission President John H. Hoff, Executive Director Theodore Miksell, Tyrone Thompson and Al Wilmarth.

Illinois Environmental Protection Agency—Warren Miller, U. S. Environmental Protection Agency—Charles Orsahrsky.

U. S. Department of Housing and Urban Development—Nilda Solari.

Township Supervisors Walter Sparks of Chouteau, Arthur W. "Cooney" Moore of Venice and Louis Whitsell of Namecki.

Mayor Donald Parney of Granite City.

NEWS NOTES:

Allen-Mudge 'Truth Squad' Against Simon

Once enthusiastic backers of Paul Simon, William Thomas and Attorney Richard Allen of Granite City and former State's Attorney Dick Mudge Jr. of Edwardsville late last week began trailing him as a fault-finding "truth squad."

All are Democrats. Simon, currently lieutenant governor, is the favorite to win the Democratic gubernatorial nomination March 21.

The trio of critics, which itself is regarded as tilting increasingly toward ultra-liberal philosophy, accused Simon — in a statement the three issued in Chicago — of "gradually selling out his principles to satisfy his political ambitions."

Specific items criticized included:

1. Simon did not support Patrick Riddleberger of SIU-SW for the Illinois Senate seat vacated when Simon ran for lieutenant governor in 1968.

2. The lieutenant governor actively opposed Mudge's 1970 Illinois Senate campaign.

3. Simon kept quiet about the late Secretary of State Paul Powell's \$800,000 cash bond until after the November 1970 election.

Mudge commented, "We all either helped launch Paul on his political career or helped advance it. But he is pretending to be something he is not—an independent political reformer. The many people working for him for that reason have been misled."

Simon's reaction is that "I defy assertions that I am not my own man."

An SIU-SW student poll announced Saturday showed Sen. McGovern topping Sen. Muskie 223-200 for the Democratic presidential nomination and Dan Walker defeating Lt. Gov. Paul Simon 243-274 for the governor position on the Democratic ballot.

Speaking Saturday in East St. Louis on behalf of Sen. Muskie,

Sen. Philip A. Hart (D, Michigan) said Illinois will be more crucial to the presidential race this year than New Hampshire or Florida.

Former Senator Eugene McCarthy, a Democratic presidential aspirant on the March 21 Illinois ballot, said Friday at the State Community College in East St. Louis that the U. S. should reduce wasteful spending and direct more resources to full employment and better living conditions.

A fund drive to help finance a proposed Collinsville-Edwardsville hospital is expected to surpass its \$1 million goal at a final report meeting at 7:30 p.m. tomorrow at the SIU-SW Meridian Hall. A planned 123-bed hospital near Illinois Route 150-162 would cost \$87 million.

William Jokerski will be master of ceremonies and awards will be given to drive solicitors Tuesday. There will be entertainment by the Wall Schleimer orchestra, the Collinsville High School band and the Sweet Adelines vocal group.

The U. S. Senate Finance Committee voted Thursday to require that each child be issued a Social Security card upon entering the first grade.

Also receiving the cards would be immigrants upon legally entering the U. S. and all welfare applicants who do not have such cards. Sen. Russell Long of Louisiana said the requirement could curb welfare abuses.

Illinois Governor Richard B. Ogilvie said Thursday at Oak Park-River Forest High School that he favors legalizing beer drinking by 18-year-olds but opposes legal liquor drinking by that age group. He predicted that additive drugs will never be legalized.

King said a report will be made within two weeks.

Quarterly Dividend Is Simon Earned \$43,155 in '71

Springfield — Illinois Lieutenant Governor Paul Simon, who has made his income public in detail since he first was elected to office in 1954, today released his complete financial earnings for 1971, showing \$43,155 received, including \$29,000 in salary.

His net worth of \$74,750 is based on assets of \$93,614 and liabilities of \$18,863. Simon's administrative assistants also publicly disclosed their financial earnings in detail.

Besides breaking down their personal incomes, Simon and his staff also report any earnings of their wives and minor children.

County Investigating Murder at Local Dam

Belief that Donald R. Simmons, 28, of 2020 Ohio Ave., was murdered was voiced today by the Madison County Sheriff's Department as an investigation continued into the victim's movements prior to his death.

Mr. Simmons' body was found Thursday afternoon floating in the water at the base of a 20-foot pier near the Low Water Dam here by a passerby. The passerby, Robert Dettenebach, called state police and the sheriff's department from a nearby service station.

A trail of blood from the parking area near the dam to the top of the pier indicated the victim may have been dragged unconscious and bleeding from a vehicle, across the parking area and onto the pier and then thrown from the pier to the water and rocks below, a spokesman at the sheriff's office said.

The Simmons car was found Thursday afternoon in front of his home. Officials reported there was blood in the auto.

An autopsy indicated drowning as the cause of death. Officials said numerous bruises and lacerations were found on his head.

He was born in Granite City and lived part of his life with his father, Owen Simmons, in West Granite City. He spent part of his time with his mother, Mrs. Luella Pugh, in Louisville, Tex. He had returned here from Texas only four days before his body was found.

He formerly was employed by National Cleaners in Alton and by the St. Louis Shipbuilding Co. in St. Louis. He served two years in the U. S. Army.

Survivors besides his parents are a son, Scottie Simmons, four, of East Alton; two brothers, Kenneth Simmons of Collinsville and Franklin Simmons

of Dallas, Tex.; two half-brothers, Billie and Joseph Pugh of Louisville, Tex.; four half-sisters, Barbara Pugh, Mrs. Lorraine Johnson, both of Texas, and Misses Velma and Thelma Simmons of Centralia, and his grandmother, Mrs. Anna Robinson of Granite City.

Funeral arrangements are given in today's obituary column.

Lone Robber Gets \$62 at Store Here

A robber displaying a pistol took \$62 in \$1 and \$5 bills from Gossie's Country Cupboard Confectionery, 254 Washington Ave., at 7 p.m. Thursday.

Iva Gossie, owner of the store, told police a young man in his early 20s entered the store, left, returned, left again and returned a third time. Gossie said the man then asked the price of cigarettes. Gossie said that before he could reply the man showed part of a pistol in his pocket and said, "Give me your money and don't say anything or I'll shoot."

The young man took the cash and fled west on 25th Street. He was riding a bicycle the first time he came into the store, Gossie told police.

The robber was described as about five-foot, eight inches tall, with long brown curly hair. He was wearing blue jeans and a green corduroy jacket.

Damage was estimated by Fire Chief Earl Fronabarger at \$8,000 to the house, \$6,000 to the contents and \$1,500 to an auto parked in the garage.

Firemen, who received the alarm at 12:22 p.m., were at the scene three hours. The blaze gutted much of the house and adjoining garage.

5 Hurt in Collision On Madison Avenue

A family of five was injured in a two-car accident on Madison Avenue at an exit from National Food Store near Namecki Road at 5:20 p.m. Thursday.

The driver of one car, a 1968 Ford, was killed. The driver of another auto sustained minor injuries in an accident at 8:17 a.m. Friday at 29th Street and Madison Avenue.

Police issued a ticket to Howard E. Simms, 42, of 1436 Second St. Madison, on a charge of improper starting of a parked vehicle after his auto collided with the northbound vehicle operated by Mrs. Eileen B. Fitzgerald, 3263 Westchester Drive.

Mrs. Fitzgerald, 47, was treated at St. Elizabeth Hospital after she complained of pain in the abdomen and rib area. She had x-rays taken and was released.

Police said Simms started to pull his auto away from the curb and failed to see the Fitzgerald vehicle.

Four Injured as Car Hits Bridge Structure

Three children and a man were injured at 8 p.m. Saturday when the car in which they were riding struck the superstructure on the south side of McKinley bridge at Venice.

They were taken to St. Elizabeth Hospital by ambulance. Two of the children, Cheryl Mosley, 7, of 1136 Logan St. and Norris Mills, 5, of 212 Weaver St., were transferred to Jewish Hospital.

The girl suffered a broken right leg and the Mills youngster suffered a broken left leg. Robert Woods, 27, of 1136 Logan St., Apt. 2, Venice, driver of the car, was headed east on the bridge when the accident occurred. He was admitted to St. Elizabeth Hospital after complaining of pain to the nose and facial area.

The other occupant in the car, 2-year-old Darren Mosley, 1136 Logan St., also was admitted to St. Elizabeth Hospital with swelling to the facial area.

U. of Illinois Birthday; Alumni Include 10 GC Professional Men

The University of Illinois is commemorating the anniversary of its founding during the week of Feb. 28-March 4 with a series of birthday parties being held throughout the country.

Chartered as the Illinois Industrial University by the Illinois General Assembly on Feb. 28, 1887, under provisions of the Land-Grant College Act, the university opened on March 2, 1888, with three faculty members and 50 students in a second-hand building.

Since then, it has grown to more than 11,000 faculty-staff members and 54,900 students on three campuses, and has become internationally known.

Dedicated to the three-fold mission of education, research and service, the U. of I. offers training in almost every field of human interest and activity and has repaid citizens many times their investment, studies have shown.

Locally, the university has traditionally—and continues to have—considerable impact on the health and welfare of each individual and on the business, industrial, agricultural and cultural life of Madison County, a spokesman said.

During the current academic year, there are 334 students from this county enrolled on the Urbana-Champaign campus. And an additional 42 county residents are registered in correspondence courses.

A total of 1,311 alumni of the University of Illinois presently reside in this county.

This includes five physicians, one dentist, three lawyers and one veterinarian in Granite City.

Also six members of the U. of I. staff are permanent residents of Madison County. They are Warren W. Bundy and James Shear, agriculture, and Bonnie L. Nelson, Mrs. Catherine Mauch, David B. Fisch-

er and Darlene L. Heer, home economics.

These six are members of the Cooperative Extension Service of the U. of I. which serves all of the state's 102 counties. They include specialists in agriculture, home economics, 4-H Club activities and community development.

Last year in this county, there were 1,429 Four-H Club members, 1,065 members of the Illinois Home-makers Extension Federation and a total of 17,096 attending continuing education programs. All are functions of the University of Illinois.

The university recently conducted three extramural classes in Granite City and within the past two years has held two civil defense training institutes in Madison County, with 163 people attending.

The University of Illinois was established more than a century ago—dedicated to the idea that higher education is "the birthright of the many and not the privilege of a favored few."

Since that time, more than 400,000 students have attended the institution. Today's student body comes from every county in the state, from every state in the union and from about 90 foreign countries, although about 98% of the undergraduates are from Illinois.

Traffic Accident Study Puts Blame on Drivers

By FRANK MACOMBER, Copley News Service

American motorists and their passengers might be safer if the federal government heeds the recommendations of an Ohio State Highway Accident Research Team now completing a two-year study for the Department of Transportation.

Happily, there's a good chance the team's proposals will be followed to some extent, since the department financed it and asked for the study in the first place.

What this country needs, says Helmut Engelman, Ohio State University traffic researcher and chief of the research team, is more emphasis on improving driver competence and less on developing such safety devices as air bags.

Engelman says the team's investigation of 60 accidents shows the causes of most were driver incompetence, poor judgment of risk, inattention to driving, drunkenness and poor vehicle condition.

Inadequate road hazard warnings contributed to driver confusion in some cases, he adds.

While seat belts are the best form of safety device if properly worn, Engelman and the team are less enthusiastic about proposed federal air bag requirements for 1985 cars.

He claims air bags would be effective only in a direct frontal collision, a type of accident that occurs mostly at low driving speeds.

"The air bag is a potential hazard," Engelman insists. "It will blow out the window as it blows up, and then throw you out of the car unless you are situated in exactly the right place."

The Ohio State study reflects the need for legal reforms in two areas; corner law and drunk driving statutes.

Under most present corner laws, Engelman explains, autopsies are allowed only for accident victims, not drivers.

If a suspected drunk driver loses control of his auto and causes an accident in which he is killed, the law often forbids an autopsy. This, Engelman claims, hinders attempts to find causes of many accidents.

In Miami, Fla., where the rule has been eased, it was found that 5% of drivers in the

North Country to Be Shown Here One Week

North Country, an outdoor, color, action-adventure motion picture about the exploits of modern-day Alaskan trapper, Jeff Graham, will be shown at the Washington Theater for one week, beginning today.

This film, shot entirely on location, follows woodsman Graham through one year of his life as he camps in the frozen wilds of the far north country trapping beaver, fox and moose. In this true-to-life feature, Graham pans gold and serves as a backcountry guide over some of Alaska's roughest terrain to earn just enough to pay for what little he needs from civilization. Otherwise, he lives off the land, hunting only out of necessity.

None of the characters in North Country are actors. They are all real Alaskans portraying their real lives.

Roi Hayes filmed, directed, and appears in North Country. He has captured on film this land's magnificent scenery, rare wildlife and unique people.

North Country, G-rated, is a Rainbow Adventure film, released by American National Enterprises, the company that produced Cougar Country. This is a motion picture firm dedicated to presenting only all-family entertainment to the public.

GSI, Boilermakers To Meet Tomorrow

Officials of the Castings Division of General Steel Industries and Boilermakers' Local 530 will meet with Gilbert Kannenberg, a representative of the U. S. Mediation and Conciliation Service, St. Louis, at 9 a.m. tomorrow at the local plant as negotiations for a new contract continue.

Also underway at the plant are negotiations with Machinists' District 9 and the St. Louis Association of the Patternmakers' League of North America. No future meetings with these unions are scheduled. Negotiations with the machinists were held last week and the company team met with all three unions the preceding week.

The unions are working under extended contracts. The boiler-makers' contract expired Dec. 1, 1971; the patternmakers on Jan. 14 and the machinists' contract expired Jan. 15.

Deborah Viessman, 5, Easter Seal Child

Deborah Viessman, 5, the daughter of Mr. and Mrs. Randall (Nancy) Viessman, 776G Carolyn Blvd., has been named "Easter Seal Child" for the Quad-Cities area.

The announcement was made this week by Jim Bolen of Belleville, chairman of the society's Southwestern Illinois drive. Bolen is a weatherman with KMOX Channel 4 television in St. Louis.

Deborah was born with multiple defects, including brain damage, and has been attending the Easter Seal Tiny Tim pre-school, at Central Christian Church, 2020 Johnson Road,

daily from 9 to 11:30 a.m. The society pays for the schooling and transportation for the child and provides speech therapy at the local center.

The Viessmans also have another child, Paul Wayne, 3. Bolen also announced that Steven Graham, 3, the only child of Mr. and Mrs. Boyd Graham of Godfrey, and Karen Cholet, 3, the daughter of Mr. and Mrs. Gary Cholet of Belleville, have been named the Easter Seal children for their areas.

This year's Easter Seal campaign will continue through Easter Sunday, April 2.

EASTER SEAL CHILDREN for Southwestern Illinois are introduced by Jim Bolen, KMOX-TV weatherman and area campaign manager. Representing the Quad-City area is Deborah Viessman, 5, seated on floor, the daughter of Mr. and Mrs. Randall (Nancy) Viessman, 776G Carolyn Blvd. Other Easter Seal children are Karen Cholet of Belleville, left, and Steven Graham of Godfrey, on Bolen's knee.

Eta Chapter Plans for Convention

The national convention of Phi Tau Omega Sorority will be held June 23-25 in Omaha, Neb., was discussed by Eta Chapter at a meeting last week at the Granite City Elks Club.

Mrs. Joe Ervay, vice-president, presided at the meeting, attended by 18 members.

Also outlined were tentative

plans for a convention function to be presented by members of the local chapter. Those who plan to attend include Mrs. Ervay, Mrs. Mary Lou Richardson, Misses Kathryn Weddell, Hilda Schroeder, Dolores Sheridan and Eunice Hatcher.

Mrs. Mary Evelyn Yenko reported that \$7,000 stamps have been contributed to the sorority's national stamp collection.

After the business session games were played and prizes were awarded to Miss Betty Krug and Mrs. Valeta Bauder. A social committee named to serve at the next meeting consists of Mesdames Barbara Barr, Bauder, Yenko and Ann Tatum.

The SIU-SW artist, whose works have been exhibited widely, lives on Route One, Edwardsville.

GC Crippled Children's Ball Nets \$1,666

Mrs. Lily Chaboud, president of the Granite City Society for Crippled Children, announced today that proceeds from the "Benefit Ball" totaled \$1,666.

Mrs. Juliann Burns, treasurer of the Society, presented a check for \$500 to Allen Jesse, executive vice-president of the American National Bank and the Trust and Savings Bank, treasurer of the Granite City March of Dimes Committee.

A similar contribution will be made to Shriner's Hospital. Avery Schermer, president of the Tri City Shrine Club will accept the donation on March 16.

The Society was organized in November, 1971 and the benefit dance was held at the VFW Hall in Granite City on Jan. 22. Funds were raised through the sale of tickets and printed ads in the program book.

Purpose of the Society is to aid children who are crippled by accident or birth defects through a program of information and financial help to those who can best serve their needs.

Special recognition was given to John Mangiaracino and Edward Werner who served as chairman and co-chairman for the program. Burnett and Robert Thomas co-chairmen for ticket sales; Anthony Michel and Mrs. John

CLASS AIDS NURSERY, MISSION BIBLE PLAN

The Winsome Class of Grace Baptist Church met last week at the home of Mrs. Karen Skinner, 3221 Wilshire Drive, for its monthly meeting.

Mrs. Donna Meyers, president, opened the meeting and Mrs. Joyce Kotoff offered opening prayer.

Mrs. Faye Hester reported that quilt-type coverlets for beds in the church nursery are nearing completion. This class-sponsored project is being completed by Mrs. Lois Page, Mrs. Fran Finley and Mrs. Hester.

It was decided that the next class project will be donation of money to purchase Bibles for missionary use by Hardan Popov, who is associated with underground evangelism in communist countries.

Games were played following the business session, with prizes awarded to Mrs. Lois Wright, Mrs. Hester and Mrs. Shirley Warren.

Games were under the direction of Mrs. Mary Parchment. Refreshments were served by the hostess to those mentioned and Mrs. Charlotte Kloster, Mrs. Carol Brinker, Mrs. Estelle Boatman and a guest, Amy Hester.

The volunteer project was held in observance of National Beauty Salon Week.

Each year, one day is set aside by the local hairdressers during the week-long observance for volunteers to contribute their services to a charitable endeavor.

This year the Elite Hairdressers Association, Affiliate 33 of Granite City, selected the county nursing home residents.

Previously, members of the local affiliate have donated

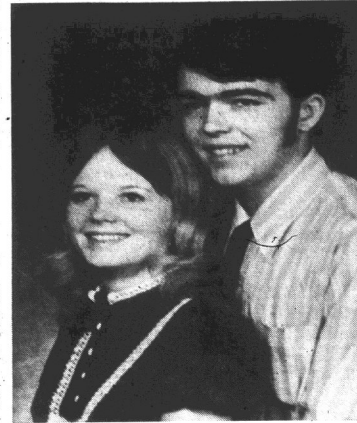

their talents to young girls at an area orphanage and at a facility for elderly patients in Madison.

A total of 30 permanent waves, hair stylings and hair cuts were provided for the women residents at the county nursing home.

Beauticians taking part were Joanne Prewett, Affiliate 33 president and Dorothy Line, Jo Ann Pitta, Marcella Tucker, Sheila Morgan, Bonnie Campbell, Pat Green and Brenda Cant.

Singers Sought For SIU Oratorio

Area singers interested in performing in the Mendelssohn oratorio, "Elijah," to be presented at Southern Illinois University-Southwestern campus May 26-27, are invited to join rehearsals, beginning Tuesday.

According to Leonard Van Camp, director of choral activities at SIU-SW, those wishing to join the Concert Chorus, the University Chorus and the Community Choral Society in singing the oratorio should come to rehearsal Tuesday at 7:30 p.m. in Room 1402 of the Peck Classroom Building at SIU-SW.

No auditions are required, Van Camp said. Participants will be required to furnish their own scores and pay a nominal registration fee.

It is possible for participants to enroll for one hour of credit in the Fine Arts Division.

The University's Symphony Orchestra will accompany the choral groups. Dale Moore, professor of voice at SIU-SW, will sing the part of Elijah. Sarah Travers Turner, also of the SIU-SW voice faculty, will be soloist.

David Gordon of Troy will be tenor soloist. Gordon won first place in the recent Metropolitan Opera audition at SIU-SW.

Kahok Outburst Deluges Warriors in Regional Pay

The basketball Warriors of Granite City High School succumbed to a Collinsville attack by a 70-52 count in the championship game of the GCHS Class AA Regional Tournament Friday night.

The Warriors ended their season with an 18-8 overall record and tied the Southwestern Conference title for the first time since 1960.

GCHS held a 27-20 lead at the half after Collinsville's Kahoks moved ahead 12-11 in the first period, but the visitors poured

it on in the third frame, outscoring the local team by 29-9. During the frame, the Kahoks stole the ball a couple of times and forced the Warriors into bad passes and shots.

Warrior shooting star Terry Ripka played for the first time in three games after spraining his ankle in the Alton game Feb. 18. Ripka, who has been averaging more than 28 points a game, could manage only 12 points against the Kahoks.

The Warriors moved within nine points in the fourth period with 4:10 on the clock, but the

Kahoks held onto the ball and dimmed the lights.

Collinsville outshot GCHS 23 to 20 in the first and 24 to 12 from the charity line. The Warriors committed 21 fouls and the Kahoks 15.

Kevin Dyer was the Warrior high point man with 13. Other Warriors scoring were Joe Wallace 10, Bob Wiggins 8, Rick Prehn 7 and Tom Vreelick 2.

Collinsville will play Alton, Tuesday, at 7:30 p.m. in the sectional in Edwardsville.

GC Loses Hockey Crown To Clayton in 5th Overtime

With less than one minute remaining in the fifth overtime period of play, the Clayton Bantams scored a tie-breaking goal against the Granite City Bantams to win the Greater St. Louis Hockey Championship playoffs 3-2 Saturday. Rick Hodge scored both goals for the local squad.

Playing in the championship finals at the Clayton rink, the Granite City team held the league-leading Clayton squad at bay during regulation time. The stalemate continued until 59 seconds remained in the fifth overtime frame.

Had the score remained tied

at the end of the fifth overtime segment the two squads would have been designated co-champions. Bill Hodge, local coach, said.

Shots on goal showed Clayton taking 40 to 33 for Granite City. Assists were recorded by Bryan Bunjan and Cory Worthen. Steve Dierks was in goal for the GC Bantams.

In the first round of the playoff championships Friday, the local Bantams defeated Delta of St. Louis 4-3. Clayton won over Grove Bantams to gain its championship berth.

Scoring Friday were Rick Hodge and Rich Foy, both unassisted goals; Jim Warchol, assisted by Foy, and Bryan Bunjan, assisted by Hodge and Eric Klein. Dianeda was the winning goalie.

Granite City Bantams are sponsored by Rapoff Realty.

GC Girl Sets AAU Swim Mark

Karen Reisinger of Granite City smashed an Oak Ark AAU district record in the 500-yard freestyle event, capturing the first-place medals in the Oak Ark AAU Senior Championship Meet held Saturday and yesterday at Forest Park Community College.

In breaking the old record, with a time of 5:16.7 minutes, Miss Reisinger also met the qualifying time for the AAU Nations Championship. Previously, she has qualified for three other individual events in the national meet this summer.

Other first-place medals won by the local swimmer came in the 400- and 200-yard individual medley, 200- and 400-yard butterfly, and the 1,600-yard (mile) events. She also received second-place medals in the 800- and 400-yard freestyle relays.

Other Granite City swimmers earning open division medals in the week-end meet were Judy Reisinger, two second place medals in the 800- and 400-yard freestyle relays; and Mark Buenger, third place, 100-yard breaststroke, fifth place, 200-yard breaststroke and 4th place, 400-yard medley relay. The medal winning trio competes with the East St. Louis YMCA squad. Ten area clubs took part in the senior championships including the Granite City YMCA.

Warriors, Trojans Set Track Openers

Track and field season in the Quad-Cities opens this week as Granite City's top athletes begin qualifying time and distance trials at the school this week in preparation for the opening meet at Eastern Illinois University in Charleston Saturday.

Thirteen returning lettermen have reported for practice and will take a crack at meeting the standards for the Charleston competition. The thinclads must meet established time or distance standards before being allowed to compete in the tournament.

Returning Warrior lettermen include Howard Bryant and Dave Bell, state qualifiers last year. Bryant, a junior, competed last year in the mile and two-mile events. Bell, a senior, is a veteran of the state pole vault competition.

Other seniors returning are Stan Stajdhar, sprinter; Jim Robbers, discus; Robert Prill and Tom Bull, 880 and Dave Carmody, 440.

Returning junior lettermen are Greg Becker, William Arnold and Rich Schooley, all competitors last year in sprint and hurdle events; Brad Hiles, shot put and discus; Robert Krantz, pole vault; and Mark Lotius, 880.

Coach Don Miller summarized the team's outlook this season simply as "bright". He said he feels most of his returning lettermen and several new arrivals will be able to meet the requirements and will be competing in the EU Invitational.

Eight returning Madison lettermen make the Trojan outlook bright this year. Among them is Ed Chandler, the all-around athlete, who competed in the 110, 220, 880 relay and shot put events last year.

Two returning are John Newcome, high jump, 880 relay and mile relay; Larry Evans, long jump, 440 and 880 relay; Charles

Johnson, 220 and 880 relay; Mike Turner, 220, 440 and 880 relay; Emory Wilson, 440 and mile relay; Royce Boyd, and Robin Pritchard, shot put and discus.

"We had a young club last year and many of our starters will be returning so we have an excellent outlook," Coach Charles R. Stepien said.

The Trojans will open with a dual meet at Mascoutah at 4 p.m. Tuesday, March 21.

Raceway Opens Here April 9

The Tri-City Speedway will open its season Sunday, April 9 with a special Mayors' Cup double header. Don Robinson of Marion, Ill., the new track promoter, announced today.

On hand to present awards to the winning drivers in both super sprint and late model stock events will be Donald Partney, mayor of Granite City; Mike Savsk, mayor of Madison; Dr. John E. Lee, mayor of Venice; and Otto Kreher, mayor of Porttown Beach.

Qualifications for the season opener will begin at noon with racing at 1:30 p.m. More than 50 race drivers are expected to compete in the event.

Sanford-Brown Wins Cage Tournament

Sanford-Brown won the Greater St. Louis College College Conference basketball tournament Saturday with an 80-66 victory over Linn Tech.

Christian College gym. Calvin Miller and Rich Jackson led the winners with 18 points each. Four Sanford-Brown cage players were named to the conference all-star team. They are Miller, Jackson, Greg Jones and Jim Drew.

200 Attend World Day of Prayer Service

Christoph Putz, a young minister from Munich, Germany, reviewed the problems of migrant workers in his homeland to 200 interested listeners at the World Day of Prayer service Friday evening at St. Peter United Church of Christ.

The observance, presented by the Quad-City Council of Church Women United, was given in conjunction with similar services held the same day in approximately 100 countries in Eastern and Western Europe, as well as by groups all over the United States and Canada.

Mr. Putz, who served for three years as an assistant vicar in Munich, is in St. Louis studying church counseling and church ethics. He also is employed at the St. Louis Juvenile Detention Center.

The youthful minister is spending two years here in his course of study, and plans to return to Germany to continue his work.

Using the general theme, "All Joy Be Yours," the three sub-

jects of special concern in the services were migration, religion and secularization.

Mrs. Julie Bartels, Mrs. Delmar French, Mrs. Carol Kinney and Mrs. Fred Rupp presented appropriate readings concerning these problems.

In addition, choral groups from Sacred Heart and St. Peter's churches chanted readings in unison, as a part of a multi-media presentation in which slides were projected on a screen.

A short discussion of the purpose of World Day of Prayer was given by the Rev. Robert Kietzelhut, pastor of St. Peter's Church, who noted that the of-

fice received at the service goes into the Intercontinental Mission Fund, which supports work by and for women on six continents.

Colorful "Joy" banners, de-

signed by women from 15 area churches, were viewed in procession and were then hung along the walls of the well-filled church.

Mrs. Larry Barry, organist, played several selections and accompanied the hymns.

The service was concluded with "The Windows," a young musical group from the Third Baptist Church, singing "People to People." The group, directed by the Rev. Dave Richardson, also provided entertainment for

the coffee hour which followed the observance.

Mrs. Robert Kietzelhut, chairman of World Day of Prayer, was assisted by women from the host church, with Mrs. Emil Mueller, Mrs. Russell Johnson, Mrs. Myrtle Counts and Mrs. Ruth Kaburek providing greeting and registration services.

Mrs. Fred Rupp is president of Church Women United, Mrs. Leonard Roberts, vice-presi-

Lincoln Place Mothers Aid Youth

Several donations to aid area youth were authorized by the Lincoln Place Mothers Club at its monthly meeting Thursday evening held in the Park District Community Center on Niedringhaus Avenue.

A \$25 donation was made to Jack Hood, a Granite City resident who will escort a group of local boys on a camping trip in June.

Also voted was a donation of \$10 to Barbara Costello to help underwrite the cost of an Easter party for mentally handicapped children and a \$5 contribution to the Mexican Honorary Commission toward its

mothers club event also will sponsor a cake sale. A new member, Mrs. Nancy Groff, was introduced.

Games were played in the social hour and prizes were awarded to Lani Simpson, Irene Kozma, Ann Volf and Rosemarie Ortiz.

Others present at the meeting were Jenny Cook, Rose Kim, Virginia Kittel, Anna Grum, Verma Mitchell and Dorothy Petrillo.

Patience Circle Holds Bible Quiz

Mrs. Olivia Lehman gave a lesson, entitled "Enchantment," followed by a Bible quiz at a meeting Thursday afternoon of Patience Circle held in the educational building of Niedringhaus United Methodist Church.

A dessert luncheon was served by the hostess, Mrs. Ethel Lerch, to those named and to Mesdames Mildred Carter, Alice Cruise, Goldie Grewe, Esther Langford, Woodie Lynn, Clara Sotloff and Miss Elva Miller.

MRS. MARIE MUSHILL HOSTESS TO CARD CLUB Local members of the M.A.S. Card Club attended a meeting held last week in the home of Mrs. Marie Mushill in East St. Louis.

Prizes at games were awarded to Mrs. Mitzi Hobbs, Mrs. Mary Nowicki and Mrs. Billie Gitchell.

Others attending were Mesdames Betty Winkler, Lillian Crawford, Irene Hatcher and Vera Smolar. The next meeting will be held in the home of Mrs. Hobbs in Ellisville, Mo.

TO BE WED. Miss Mary M. Mank, whose engagement to Phillip R. Lakin is being announced, by her mother, Mrs. Louise A. Mank, of Granite City.

Chappell, both of Granite City; Kim Gum, Granite City, and John E. Hubbs, East St. Louis; and Bobby L. Carmack, Granite City, and Lois A. Odenthal, East St. Louis.

GABRIEL SHRINE 78 TO ELECT OFFICERS

Gabriel Shrine 78, Order of White Shrine of Jerusalem, will hold its last stated meeting with the present corps of officers Thursday evening at the Masonic Temple.

An election of officers will be conducted and yearly reports will be given. A memorial rite for deceased members also will be held.

Mrs. Mary Lou Simmons, worthy high priestess and John Dellart, watchman of shepherds, will preside at the session.

Miss Mary Mank Is Bride-Elect

Mrs. Louise A. Mank, 2625 Highway 67, Granite City, is announcing the engagement of her daughter, Miss Mary M. Mank, of Phillips R. Lakin, a son of Mrs. Francis Roberts of Wood River.

The bride-elect, a graduate of Granite City High School, is employed at the St. Louis University Medical Center.

Slides wedding is being planned by the betrothed couple, to take place at St. Joseph Roman Catholic Church.

Navy Mothers Aid Ray Gean Fund

Quad-City Navy Mothers, Unit 850, met Thursday night at the VFW Hall and made arrangements to send a \$25 gift to the Ray Gean Fund, and donations to six veterans hospitals.

Hospitals to receive the contributions are Hines Hospital, Hines, Ill.; Jefferson Baracks in St. Louis County, for canteen books; Fort Mead in South Dakota; the Philadelphia Servicemen's Center; Blue Jacket's Haven, Oakland, Calif.; and John Cochran Hospital, St. Louis.

The Ray Gean fund has been initiated to help defray expenses of a local man who will undergo a kidney transplant at Mayo Clinic.

Mrs. Nellie Dix, commander, was in charge of the meeting. There were 13 members present.

Mrs. Judy Evans received a prize and Mrs. Hazel Jones won the mystery package.

International Girl Scout Program Here Is Attended by 500

District Four Girl Scouts joined together in an international program last week in tribute to their founders, Lord and Lady Baden Powell. About 500 scouts, leaders and guests attended the annual festivities, held at Namekchi School.

Neighborhood Five was in charge.

Representatives from each neighborhood were: One, chairman, Mrs. Linda Noud; Two, chairman, Mrs. Doris Wood; and Mrs. Margarette Barton; Three, Mrs. Mae Lee, Mrs. Mary Harvon and Mrs. Carol Squares (Mrs. Doris Stone is chairman); Four, Mrs. Doris Votaw (chairman is Miss Carolyn Votaw); Five, chairman, Mrs. Wilma McQuinn; and Mrs. Rosemarie Nagy; and Six, chairman, Mrs. Sandy Gaskill.

Special guests for the event were the district advisor, Miss Judy McCarthy, and the district chairman, Mrs. Diane Hessel.

The program opened with a flag ceremony by special education students, Junior Troop 35 and Brownie Troop 309 of Neighborhood Three. They led the pledge of allegiance, promises and singing of "America."

Cadettes, representing all troops in the district joined together for an international flag parade and sang "The World Song."

Debbie Lowell of Senior Troop 25, Neighborhood Four, gave a reading, "What Thinking Day Means."

Neighborhood One troops performed American Indian dances and Neighborhood Two presented a song and dance from Denmark.

Neighborhood Three Brownies sang and danced an Indian number. With Junior Scouts representing a Mexican dance and Cadette Troop Nine singing an international song, "Growing Up Tree."

Neighborhood Four enacted a song and dance from Italy. Neighborhood Five Brownies and Juniors did a performance related to the United Nations and a Junior group represented Germany.

Cadette Troop 116 of Neighborhood Six performed a Slavic dance. All the scouts were dressed in colorful costumes relating to the chosen countries, and then began closed with all singing in unison, "Girl Scouts Together."

PEOPLE ASK US ABOUT ASPIRIN FOR ARTHRITIS

For most people with arthritis, aspirin is still considered the best medicine. But, to be effective, a physician must diagnose the type of arthritis (there are several kinds), and he must determine if the person can tolerate aspirin and, how much they can take. Then, he will set a schedule and plan the overall treatment program necessary to try to control arthritis and prevent disability.

Don't be lured into thinking you can do it yourself, for some advertising can be misleading. It can make arthritis sound like nothing much more than a disease of minor aches and pains. The truth is, arthritis can be a very serious disease and that prompt and qualified medical attention is necessary.

LACLEDE STEEL COMPANY RECOGNIZES SAFE WORKERS

The Laclede Steel Company employees whose names and pictures appear on this page are living proof that the most effective safety device is the trained, safety minded employee.

Each year for more than a decade Laclede has recognized those steelworkers who have worked for five years or more without a lost time accident. A lapel pin is awarded for each five-year period of accident-free employment.

Pictured and listed below are the employees who received this safety award at the end of 1971.

In addition, 401 other Laclede employees at Madison not pictured or listed, completed a combined total of 5,374 years of service without a lost time accident. Their individual safety records range from one year to thirty-five years.

Laclede is proud of these safe working employees and we think their friends and neighbors will be, too.

Simon Hopes to End Distrust of Officials By Telling Truths That May Cost Him Vote

By PAUL SIMON
Lieutenant Governor of Illinois

Should a political campaign be a frank discussion of issues, or should it be candidates telling people what they want to hear and later moving in different directions?

The answer to you who read these lines should be obvious. The answer to many who run for public office is not the same. I believe that part of the distrust toward those who hold public office is the lack of candor, the easy promises — which the candidate does not mean to keep — that are easily broken.

Through the years, I have tried to speak frankly on issues, telling people the unpopular truths, along with the popular ones. A few weeks ago I reiterated in a Chicago press conference the same position I have had for a long time — that we should move away from the sales tax on food and the personal property tax, and that we should relieve the real estate tax of some of its burden of supporting education.

To do this I said candidly that we must have a modest increase in the income tax. I am not talking about the state extracting large new

Granite City PRESS-RECORD
Page 10 Mon., Mar. 6, 1972

sums of money from people, but shifting the burden so that it is fairer — and so that all young people in our state can have the opportunity for a good education.

We pay in high crime rates and high public aid rates — aside from other considerations — when we fail to provide good educational opportunities. I also stated that I would veto any income tax increase unless there is with it a decrease in other taxes.

Unfortunately, the headline on most stories read simply: "Simon Favors Tax Hike." The other part of my proposal did not make headlines.

Understandably, many of my supporters for the office of governor were not happy — with either the headlines or with my statement. The Chicago Daily News ran an editorial column headed, "Is Simon Honest to a Fault?" Many friends called and told me, "Paul, you're absolutely right. But don't say it before the election."

While this advice has been sincerely given, I respectfully decline to accept it.

Hospitalized After Assault at Home

George Oliver, 21, of 3005 Kirkpatrick Homes, suffered multiple injuries when two men assaulted him in his apartment at 10:20 p.m. Thursday, police reported.

Oliver told officers the two men knocked on his door and asked to come in to talk to him. He said when he refused, the men forced open the door and one struck him on the head with a bottle. They then pushed his head through a window, he reported.

He was taken to St. Elizabeth Hospital where he was treated for a one-inch laceration to his right thigh and two smaller lacerations to his left chest. X-rays of his facial bones were taken and he was admitted.

Completes Course in Management Development

Thomas Patton of Granite City, supervisor in the Finishing and Interior Packing Department at Owens-Illinois, Inc., Madison, completed a first-level course Friday in Wittenberg University's Management Development Program.

The week-long programs concentrate in four areas — behavioral studies and motivation, communications and leadership, management functions and methods, and economics and employee relations.

Driver Charged

Randy Hollis, 16, of 2013 Thirteenth St., was charged with leaving the scene of an accident and failure to yield the right of way after his west-bound car collided with the northbound auto of Alvin Simpson, Rural Route Two, Box 794E, Granite City, at 26th and Iowa streets at 7:40 p.m. Thursday.

Car Lock Damaged

A lock on the car of John D. Bell, 1628 Lindell Blvd., was damaged while the car was parked on the parking lot of Truller's Men's Wear, 1326 N. Washington Ave., police were told at 5:10 p.m. Thursday. Bell said nothing was taken from the car.

Madison Firemen, Volunteers Aid In Heart Drive

The Heart Fund is \$1,885 richer, thanks to the efforts of 45 volunteer workers from three organizations in Madison that made a door-to-door solicitation and also set up a road block collection point on Madison avenue, during the weekend.

Spearheading the drive was Eldon Rhoads, fire chief, and members of the Madison Volunteer Fire Department, Charles Voloski, Elmer Smith, Ben Bosworth, Gordon Bailey, Andrew Economy, Vasil Graville, William Hlava, Otis Hollenbeck, Joe Kalata, Pete Macek, Jack Cichels, Robert Papp, Terry Rhoads, John Reberston, Joe Scrump, T. F. Scrum, James Shipoff, George Waack, George Toenyes, C. W. Voloski and Damian Caffrey.

Members of the ladies auxiliary of the Madison Fire department who also helped were Mesdames Fay Bailey, Florence Bosworth, Hilda Graville, Lois Hollenbeck, Mary Macek, DeLoyle Rhoads, Ellen Scrum, Daisy Voloski, Jeanne Toenyes, Julia Voloski, and Norma Wallace.

The Madison City Organization Auxiliaries is helping collect for the heart fund were Mesdames Shirley Duto, Barbara Andrews, Mary Lee Jordan, Maxine Costoff, Violet Bader, Cora Barr and Betty Dobrowski.

Other volunteers included Barbara Sasyk, Lillian Crawford, Dave Michels, Bob Bosworth, Dan Sipes, Terry Sasyk and Bob Hollenbeck.

David Maxton will be sent similar-awards for their board service.

Host of Township Bills Await Assembly Action

By RAY SERATI
Copley News Service

Springfield—The General Assembly has received the budget for fiscal 1973 and when it returns to work in April a host of bills will be awaiting action including a series of bills dealing with the township form of county government.

At least eight of these bills are at the passage stage in the House. One bill provides that the records of the county and township tax assessors are public records and should be open to the public. Another bill seeks to reclassify county highways into a functional system and create a highway classification review board to classify and declassify highways.

One bill which is being watched very closely by county

officials all over the state deals with ambulance services.

The bill, sponsored by Rep. C. L. McCormick (R-Vienna), authorizes governmental units to provide and operate or subsidize ambulance services. It also has a provision for the regulation of the ambulance services. It also authorizes the local government unit to authorize the levying of a tax, not to exceed 25% of the value of the taxable property within the unit if approved by a referendum.

Postponed Action

McCormick tried to get the bill through in the 1971 session of the General Assembly. However, it was late in the session, and so McCormick had action postponed on the measure until this year. He has indicated he will call the bill for final action once the General Assembly returns to full session.

Another bill dealing with ambulances awaiting House final action would require all persons engaged in the operation of ambulance services to be licensed by the Public Health Department.

A bill sponsored by Rep. Robert Juckett (R-Park Ridge), would authorize townships to create Public Building Commissions.

Awaiting Senate committee action, after passing the House, is a bill that would authorize township boards of auditors to form garbage collection districts in unincorporated areas of a township. It would also allow the establishment of regulations for garbage collection in those areas. However, the voters in the area still would have to approve the formation of such a district and the rules.

These are bills that are left over from last year dealing with township form of county government, and legislative sources say more bills are expected to be introduced once the 1972 session gets rolling.

Five Use Permits Given Board Approval

The Madison County Board of Supervisors has recommended approval of five special use permits in area townships. Final action is to be taken by the Madison County Board of Supervisors at its March 15 meeting. Requests approved were those of:

Estes Dickey and Golda Dickey to place a mobile home, operate a sewing school and sell sewing machines in a B-3 highway business district on Route 67 in the vicinity of the Granite City animal shelter.

William J. Lamb to operate a beauty shop in his home at 34 Snowbird Lane, zoned R-3 one-family residence district.

Darwin E. and Doris L. Evans to operate a boarding kennel and related facilities at 1212 Waterworks Road.

Robert L. Turner to continue the operation of a boat storage and repair shop at 1733 Courtney Blvd.

Frank Keller to place a mobile home at Breckenridge Lane and Lake Drive.

CUB SCOUT PACK 47 DINNER AT ST. MARY'S

St. Mary's Cub Pack 47 met last week for its annual blue and gold banquet. A flag ceremony was used as the opening ceremony and the pledge of allegiance was given in unison, led by Cubmaster Tom Gordon. Committee Chairman Ed Dohal introduced the Rev. Egebert Blenck, the Rev. Sylvester Mick and the Rev. Conrad Motola.

Chicken dinners were served to 100 under the direction of two den mothers, Mrs. Elsie Gordon and Mrs. Kathy Dohal. The tables were decorated in a birthday theme, with a large cake used as centerpiece. Special guests were the Scoutmaster and Mrs. Mike Sikora, District Scout Executive Mark Yehling and his family and Mr. and Mrs. Ron Luebben.

School sisters present were Sister Agnes, Sister Rosemary, Sister Bernadette and Sister Barbara. Dens One and Two presented plays and sang under the direction of the den mothers. The

Webelos explained badge requirements and explained how badges are worn on the uniform.

Awards were given to Mrs. Elaine Hlava, a retired den mother, Jack McKinney, retired pack treasurer, and Rev. Mick, who received the pack charter. Tom Gordon and Bob Pierce received four-year pins.

Others awards were given to Philip Gordon and Nick Novosel of Den Two and Vincent Dohal, Sonny Moss, Philip Sardigal, Daniel Moonhegan, John Bargiel and Jimmy Broadway of Webelos Den One and Larry Baczewski, Louis Bisto, Joe Hlava, Nick Fecurka, Steve McKinney, Joe Bargiel and Chris Rogenski, Webelos.

Recognition also was given to assistant den mothers, Mrs. Shirley Sardigal and Mrs. Mary Firtos, new Treasurer Nick Novosel and the pack secretary, Dorothy Novosel.

The meeting concluded with singing of "America."

GIRL SCOUT LEADERS IN TRAINING COURSE

Girl Scout District Four, Neighborhood One, met last week at Harris School. Mrs. Linda Noud, chairman, asked that each leader be registered prior to Girl Scout Week March 12-18.

Red Cross first-aid training

for the leaders started March 1 and will be held for five weeks at Tri Mor Bowl. March 25 has been designated for an international dinner to be held at St. Peter's United Church.

Mrs. Noud resigned due to ill health and Mrs. Evelyn Toliver was named neighborhood chairman.

Others present were Mesdames Ann Bernhardt, Thelma Skelly, Pat Foote, Rose Lawrence, Irene Baker, Rita Lybarber, Judy Donaldson, Bea Stentzer and Linda Noud and Misses Christi Kelly, Pamela Thorne and Connie Piechocinski.

MRS. WHALEY HOSTESS

Mrs. Sherri Whaley was hostess to the Twilight Pinocchio Club in her home, 4106 Division St., last week. The hostess served a dessert luncheon prior to a game period.

Those seated were Mesdames Marie Miller, Lucille Broyles,

Township Sewer Plan Better, Less Costly For Both the City and Surrounding Area

Evaluation of their plans has led to designation of the four Quad-City townships as the governmental entity to proceed with installation of both interceptor and collector sanitary sewers to serve the many local areas which lack sewers.

These lines are to be linked to the existing Granite City sewage treatment plant, which is to be upgraded to secondary treatment by the city in compliance with anti-water-pollution directives.

The unanimous recommendation by regional, state and federal planning officials Thursday night may shock some Granite City municipal officials, who have devoted much thought to the possibility of city construction of interceptors to connect the sewage plant with the general geographic area of proposed township sewers.

Before giving voice to bewilderment or displeasure at the recommendation, they may wish to "count ten" and then, instead of exploding in exasperation, take a statesmanlike approach.

There is ample justification for them to accept the recommendation without rancor—and without boosting the price of treatment service to the townships, a step which would only succeed in "cutting the city's own throat" through a cutoff of promised state-federal financial aid for treatment plant upgrading.

Springfield and Chicago officials here Thursday night made it clear that the scheduled upgrading and construction of the Granite City plant being regional in nature instead of slamming the door on the townships through high fees.

Why is calm acceptance of the decision a statesmanlike path?

In the first place, the four-township plan happens to be far better and less costly for both Granite City and the surrounding area, in the opinion of competent engineering experts who gave their comments at Thursday's Southwestern Illinois Metropolitan Area Planning Commission meeting.

Secondly, Granite City needs the treatment business. Its 20-million-gallon capacity plant, currently used to only about half the maximum, is expected to see usage fall to five or six million gallons after the Miles Laboratories corn milling plant closes March 31. The sewage from Mitchell, Pontoon Beach and other areas not now served by sanitary lines would add about one million gallons.

Thirdly, prompt extension of sewer service to village and unincorporated area property can help generate a new economic boom for the entire Quad-City area, attracting new families and businesses and offsetting the impact of the Miles closing.

Fourthly, by the turn of events, Granite Cityans who pay sewage treatment fees are being relieved of the necessity of underwriting most of a construction project which municipal officials had estimated would exceed \$15 million. This could have been a crushing financial burden and one which laymen found hard to justify.

The townships now will be able to build their needed collector sewers for about \$8 million instead of the \$9,314,300 the collector would cost if there were city-built interceptors. And the townships expect to spend only about \$4 million on interceptors instead of the \$5,247,000 projected for city interceptors.

These figures result in the \$2,300,000 estimated savings cited in an analysis by the Press-Record in Thursday's issue.

Deducting the \$5,247,000 from \$15,300,000, the city could be assumed to still need to spend over \$10 million for upgrading the treatment plant and expanding its capacity from 20 million to 23 million gallons.

However, it has become evident that the 20 million overall capacity probably is more than adequate for many, many years.

And with Alton upgrading its plant for an expected \$3 million, there is hope that the overall Granite City expenditure can be held to a minimum.

The state-federal aid of up to 80% of the fees from the townships should make it possible to carry out the upgrading at only a small expense to Granite Cityans.

With all of these major savings taken into account, whatever has been devoted to engineering by the city and townships can be regarded as well spent, since it all aided in pointing this community in the right direction.

Of the \$158,450 billed to the city so far, undoubtedly a considerable part of this planning related to the treatment upgrading which is still scheduled to be implemented.

Strong, Prompt Backing by Arts Council Is Needed by Music Festival for 1972 Season

As the Mississippi River Festival said in its application to the Illinois Arts Council for a \$120,000 grant to continue and expand the annual series of summer musical programs, favorable Arts Council action would "assure that Downstate Illinois' greatest artistic resource will not be lost."

Whether a fourth River Festival season can be conducted this July and August is highly uncertain in view of reports that the MRF will not be considered at the Council's March 14 meeting.

This presumably would delay action until June, far beyond the deadline for making firm commitments with musical artists for evening performances on the Southwestern campus of Southern Illinois University.

At a meeting Feb. 25, the Illinois Arts Council's Music Panel voiced a favorable reaction to a \$15,000 request to permit reduced admissions for students and the underprivileged and a \$15,000 allocation for an administrative and fund-raising staff; there is to be a new fund this spring known as Friends of the Mississippi Festival.

State help of only \$30,000 would serve to block the 1972 season and even the amount is not being recommended by the Music Panel until it has obtained more information and given further thought to items of \$60,000 for increased promotion and advertising to increase the MRF audience and extend its cultural-educational benefits to more people, and \$30,000 for a series of open rehearsals, to broaden the comprehension and interest in the symphonic and the public reading symphonic music.

An Illinois grant would be supplemented not only by admission fees and contributions from the public but also by financial backing from the Missouri State Council on the Arts. Having provided \$22,566 to the River Festival last summer, the Missouri Council for 1972 has authorized \$20,000 immediately and the possibility of expanding the figure to \$40,000.

Illinois Arts Council approval of \$50,000 a year was vindicated by subsequent 1971 statistics showing a 17.7% attendance gain, from 118,440 in 1970 to 137,940.

A cutback by the Council at this time undoubtedly would kill off festival planning and restore the previous situation in which all substantial IAC support went to Chicago-based institutions.

This must not happen, Governor Ogilvie and Illinois legislators must not let it occur.

"Many of them contracted the public service virus and are now candidates for legislative and other offices."

"Third, this election also restored the system of staggered terms for the Illinois Senate, with approximately two-thirds of the senators running for four-year terms and one-third running for two-year terms."

"Our own State Senator Sam Vadalabene drew a four-year term. In the next ten years, each district will elect a senator for two four-year terms and one two-year term."

"To a large degree, this will restore the greater measure of independence which the Senate enjoys and which is intended to enable greater deliberation and less responsiveness to emotional issues."

"Fourth, in the House of Representatives the new Constitution requires each party to nominate at least two candidates, providing a minimum of four contestants for the Illinois Senate. This means that in each district, there will be no more 'free riders' for incumbents in 'safe' districts."

"This provision could cause numerous upsets and contribute to the volatility of the House. It will increase the need for attention to House races on a statewide basis and, at the least, it emphasizes the importance of the Senate."

"Fifth, for the first time, all Senate and House districts throughout the state are coextensive with the Senate and House districts. This means that the same people are running for both offices. This is a change from the Cook County and Chicago districts."

"This is an advantage, enabling joint campaigning of Senate and House candidates and it may also be advantageous."

FAMILY ENCOUNTERED WARM WELCOME HERE

A very warm "thank you" to the people of Granite City for their efforts in welcoming our family to our new home.

Shortly after our arrival we received letters of welcome from several churches and businesses in the area. Later, we were visited by the Welcome Wagon.

Along with the Welcome Wagon on packet came gifts from many Granite City merchants, information about our new community as well as letters of welcome from the mayor, police chief, state representative and Illinois governor.

Within two weeks, we couldn't help but feel "at home." Just walking down the streets of Granite City can get you a smile from the friendly residents.

It's been a marvelous experience and we'd like to publicly say "thank you, Granite City."

OUTSTANDING SERVICE BY PARK SUPT. BROWN

To the Editor:

I was delighted to read in the Press-Record that Director of Parks and Recreation Harold Brown received a citation from the Illinois Association of Park Districts.

I heartily applaud his accomplishments and the tremendous service he gives to the citizens of this city.

His positive recognition from us also for "outstanding service to parks and recreation in Granite City."

LOCAL RESIDENT

ENTHUSIASTIC BARTHOLOMEW CHAMBER GATHERING

To the Editor:

Miss Lee Shepherd, widely known and admired resident personality, was 7:42 a.m. speaker during the last annual banquet of the Bartholomew, Ill., Chamber of Commerce.

Miss Shepherd was warm and friendly as she spoke to a capacity audience that dined at the Bartholomew Hotel. She spoke of the importance of the Chamber of Commerce and the need for the Chamber to be active in the community.

She was a graduate of Bartholomew, and a lawyer at Bartholomew, served in the Continental Congress from 1776 to 1780, and was active in financial and maritime affairs with Congress.

In 1780 he was named chief justice of the United States, but did not serve.

For 20 years, however, from 1780 until his death in 1800, at 82, he was collector of customs.

His death was a great loss to the community. He was a man of great ability and a great leader.

State Status—Fear Independent Race in November

By KEN WATSON
Capitol News Service

Springfield — A specter has reversion to United States House Democrats.

It's a possible independent Senate candidacy by waiting Dan Walker.

Walker, who is challenging the party's position on the choice, Lt. Gov. Paul Simon, in the primary had contemplated a possible independent Senate campaign, but later publicly disavowed the idea. However, such things can easily be reversed if circumstances should change.

Already there are reports in Springfield of telephone calls to the primary, some at the Statehouse believe he might try the independent route.

It's obvious that the new wave of speculation, Simon's surprising announcement on the issue, including public advocacy of an increase in the state income tax.

His coming of this with reduction of other existing taxes has pretty much been lost in the shuffle.

Simon-Walker fight has suddenly taken on a new twist.

The Walker camp now has the possibility of a possible independent race, but it is still in a tax revolt mood, might repudiate any major party nomination and go for a strict anti-tax independent.

Republican leaders are far from confident that Illinois voters are ready to forgive Ogilvie for the 1969 income tax even though the need for it has nearly been shown.

Nor is it any secret at the Statehouse that backlash from the Simon tax plans has been bitter.

It accounts for a not-so-quiet wave of surreptitious to the once-quietly confident Simon camp.

Walker has quickly shifted his strategy to capitalize on what political professionals regard as a major Simon weakness—lack of concentrating solely on Simon's association with Chicago Mayor Richard Daley.

Walker has started a new campaign, one on Simon's record.

He wants that general savings in present administrative procedures and a major productivity in the state government.

Simon's record is a mixed bag. There is some feeling that this complex argument made even more complex by the impact of the Simon tax plans on the state's economy.

State Constitutional Delegates Caught the 'Public Service Virus'

The 1972 Illinois election year is unique in many respects.

One of the most knowledgeable Quad-City chroniclers of state politics and legislation, William F. Hoelscher, Manufacturers Association general manager-secretary, sizes it up this way:

"The 1972 primary and general elections are the first to be held under the new Constitution adopted in 1970. There have been several changes affecting legislative elections which are worthy of mention."

"First, the legislative districts have been redrawn. The districts are fairly closely matched from a population standpoint, but the maps are more difficult than ever."

"Thirty-eight counties are split up. Page County, for example, is a part of four legislative districts. Some municipal areas are also affected."

"The average voter living near boundary lines may

not know which district he is in until he goes to the polls to vote, and political identity of the area has practically been lost."

"Second, a candidate may run this time only in one new district which was a part of his previous district. If elected, he must move into the new district within six months to be eligible to run again."

"Betty Howard, a Constitutional Convention delegate from St. Charles, first decided to run against Senator John Graham of the Second District, changed her mind, considered opposing Senator Bill Harris in the 38th District, and finally filed against Senator Bob Mitchell in the 38th."

"Incidentally, this also illustrates another element of this election, which is the large number of Con-Con delegates whose experience in the Constitutional Convention proved contagious."

"This is an advantage, enabling joint campaigning of Senate and House candidates and it may also be advantageous."

"Sixth, the establishment of the 15-year-old vote in Illinois is an unknown political factor. Certainly, it must be given consideration by candidates, and it could throw some Senate races into a marginal category," Hoelscher notes.

"We do know one thing for sure about the 1972 General Assembly. With 52 members not seeking re-election, it will resemble the legislature elected a few years ago under the orange 'bedsheet' ballot, the 'at-large' election."

"There will be a many new faces and a shift in power structure will undoubtedly take place. Of these incumbent legislators, only the Senate members, seasoned Republicans and seven Democrats are giving up their seats."

"The retiring Republican senators are W. Russell Arning, Jr., minority leader and former president pro tem; Art Hubbard, majority leader; Dennis Collins of DeKalb; Bob Coulton of Washington; Harold Roush of Rockford; and the late Sen. Freeport; Ken Davidson of Keokuk; Mable Bantz of Joliet; and John Giffert of Carbondale."

"The significance of this mass exodus is indicated by the fact that the Senate will increase the number of legislative service ranging from 10 to 42 years each."

Hoelscher adds, "The new Illinois Constitution provides the General Assembly shall convene each year on the second Wednesday of January. With these words, Illinois formally adopted annual legislative sessions, eliminating the Federal Congress."

"So neither case, does new legislation truly have a chance to be passed, but it is a good thing that it is being considered, but further."

Tax Rules Explained on Selling Home for Profit

Q. I sold my home last December at a \$5,000 profit. Do I have to report this as income when I file my 1971 return?

A. Not if, within one year before or after the sale you buy or occupy another residence that costs as much or more than the sales price of the old residence. Additional time is allowed if you construct the new residence or you were on active duty in the U. S. Armed Forces. In such a case, the tax is postponed, not forgiven. Any gain not taxed in the year you sell your old residence is subtracted from the cost of the new residence giving you a lower basis to be used in the event of a later disposition. If you sell the new residence in a later year, and again replace it, under similar circumstances, any tax on the gain you realize may continue to be postponed.

Q. I won a new car last year in a radio contest. Do I have to pay tax on this prize?

A. Yes. Prizes and awards you receive in goods or services must be included in income at their fair market value.

Q. I paid my daughter's medical insurance premiums last year. Do I include these premiums in the amount of support I furnished her when figuring out whether or not I can claim her as a dependent?

A. Yes. You may include as an item of support medical insurance premiums you paid, as well as other expenditures you made for her medical and dental care. However, the benefits received from medical insurance policies are not included in support.

Q. After four years of attending college full-time and working part-time to help pay for it, I graduated last year and took a full-time job. Can I use income averaging to reduce my tax?

A. Before you can consider income averaging, a basic requirement is that you must have furnished 50 per cent or more of your own support during each of the four years prior to 1971. IRS Publication 506, "Computing Your Tax Under the Income Averaging Method," explains all the details of income averaging. It's available free by dropping a postcard to your IRS district office.

Q. I sued to recover damages for injuries I incurred in an auto accident. I settled for \$7,500 more than I ever got to trial. Is the \$7,500 taxable?

A. Yes, if it is compensation for personal injury or illness. Such compensation is not taxable whether you receive it after trial or through settlement.

Q. Where can I get a copy of the IRS Booklet, "Your Federal Income Tax"?

A. You can buy it for 75 cents at larger Postal Service stations, IRS district offices, and branch bookstores of the U. S. Government Printing Office throughout the country, or by mail from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20540.

Q. Are there any limits on how much you can deduct as a charitable contribution?

A. Yes. In general, contributions to most charities, such as churches, educational organizations, hospitals, etc., may be deducted up to 30 per cent of your adjusted gross income. However, contributions to certain private non-operating foundations, veterans organizations, fraternal societies, and cemetery organizations are limited to 30 per cent of adjusted gross income. The organization itself can tell you which of the two categories it falls into.

There are also certain limitations on contributions of property, such as stock. For details, see IRS Publication 506, "Income Tax Deductions—Contributions," available free from your IRS district office.

Q. I had two jobs last year and I think my employer withheld too much for Social Security. How can I get this back?

A. If you worked for two or more employers during 1971 and received more than \$7,800 of wages, you are entitled to claim the excess Social Security tax withheld as a credit against your income tax. Check your tax returns instructions for information on how to compute the credit.

SPRING-LIKE WEATHER last week prompted the Granite City Street Department to trim dead trees—one of its usual spring chores. In the truck filled with wood chips in the background is Jerry Lator. Other workers from left to right are Danny Rapoff, Larry Lloyd and Jim Huchings. The scene occurred Wednesday afternoon with the temperatures in the mid 70s.

Assessment 'Multiplier' Makes Officials Squirm

By RAY SERATI
Copy News Service

Springfield — At this time of the year nearly everyone's conversation has a mention of taxes in it and at the county level a word creeps in that seems to cause some confusion. That word is "multiplier."

And it is not a machine or a game used by the local county taxing officials. In reality it is a figure or number which is used to increase the tax base in a county. On the state level it is more sedately called "equalization factor."

Each year at this time county officials and state officials from the Local Government Affairs Department wrangle over just what the "multiplier" or "equalization factor" should or should not be.

In theory the use of such a system is somewhat simple. That is through the use of the "multiplier" everyone throughout Illinois — individuals as well as corporations — would be taxed on an equal basis through the use of the "multiplier." This would mean that everyone's taxes would be a fair share of the tax burden.

Theory Criticized
But the theory has come in for some sharp criticism practically every time the "multiplier" is announced for a year. It causes more local officials to squirm especially during an election year such as this year.

All counties strive for a multiplier of 1.000. This type of a figure in essence means that the local taxing officials have done their work and their homework well.

If a person lives in a \$15,000 house and it is assessed at

\$7,500 or 50% of its fair market value, this is what the state seeks. Or in the case of a business, if it is assessed at its fair market value, then it seems to be that all requirements are met.

If a local taxing body sets a certain amount for its operations and this money can be obtained by the normal procedure of assessment and taxation then all is fine. This type of procedure is all fine, especially if the Local Government Affairs Department is convinced that the assessment of the property or real estate was up to the 50%.

Determined by Sampling
But if the officials in the Local Government Affairs Department feel it is not at the 50% level then the multiplier is applied. This is determined through various sampling methods by the Department in the individual counties.

At first the multiplier is tentative. But once a final determination has been made the multiplier is assigned to the individual county until the next quadrennial assessment. The quadrennial assessment comes every four years, when the local assessors place new values on the real estate. Personal property is assessed every year.

Undoubtedly within the next few years, the system of the multiplier will get a close look — especially now that courts are beginning to rule that the real estate tax cannot be the basis for raising money for schools.

Car Burglarized

CLUB AUXILIARY TO AID FAMILY NIGHT
The Venice Social Club Ladies Auxiliary met last week at the club at 117 Brown St., with the president, Mrs. Lil Mangi, conducting the business session.

The ladies are to help with the monthly "family night" given by the men's organization of March 25 for Social Club members.

Games were played and prizes were awarded to Mesdames Blodine Dillon, Mildred Scanlon, Ann Harden and Kate Bueche.

Refreshments were served by the hostesses, Mrs. Bueche and Mrs. Judy Modrak, to the above and Mesdames Vicky Bilrey, Angie Udell, Jane Modrak and Mayme Dempster.

The next meeting will be March 28, with Mrs. Peggy Cochran and Mrs. Lucila Humphrey serving as hostesses.

PROGRESSIVE FOREIGN DINNER BY CADETTE
Cadette Girl Scout Troop 436 attended "thinking day" activities last week at Nankooki Grade School with Mrs. Hattie Mulnik, leader, in charge.

The next meeting will be March 28, with Mrs. Peggy Cochran and Mrs. Lucila Humphrey serving as hostesses.

The first course was served at the home of Miss Theresa Bilrey, 315 Fillmore St., decorated in an Italian theme. A waxen bottle holding a candle centered a green, white and red table. Miniature Italian flags held by an orange half decorated the cracker plate.

Miss Bilrey read a summary on Italy and greeted the girls in Italian. Grape juice was served from wine bottles, along with tossed salad and garlic bread.

Miss Marcia Byrnes, 1258 Klein St., the next hostess, served Swedish meatballs, with ornate candlesticks decorating each end of the table.

A Mexican atmosphere was created at the home of Miss Susan Ochow, 1226 Robin St., where a colorful serape was draped across one of the kitchen walls. A Mexican sombrero added to the setting, and hot tamales and tacos were served.

The final stop was at the home of Miss Betty Mulnik, 630 Lincoln Ave., who displayed articles from several countries — Chinese chopsticks, a Russian dancer, Polish costumes, a miniature teepee and pottery of the American Indians and Italian and Mexican craft items.

Mrs. Mulnik, dressed in the native costume of Poland, assisted her daughter, in serving song of the Polish dishes enjoyed at Easter — Kielbasa (sausage), decorated eggs and chrusciki (Polish ring cakes).

The last dish was served by Miss Mary Patterson at the Mulnik home; she prepared pizza, a favorite of all the girls. Also attending the dinner was Miss Vickie Baczewski.

Cong. Price Bill Offers Tax Relief to Elderly

Cong. Price Bill (H.R. 10-2-68) has introduced a bill to encourage the elderly to own property by offering them a 10% discount on the federal gift tax on property transferred to them.

"Elderly people are a very important part of our country," said Rep. Price, "and it is our duty to provide them with the best possible tax relief."

The bill would allow a 10% discount on the federal gift tax on property transferred to the elderly. The discount would be applied to the value of the property transferred.

"This bill," said Rep. Price, "would provide a 10% discount on the federal gift tax on property transferred to the elderly. The discount would be applied to the value of the property transferred."

Multipliers to Reflect Values On Farm Lands

Farm multipliers to equalize real estate tax assessments to property values will be used to reflect the true value of farm lands, said Rep. Price.

The department, which is charged by law with the responsibility of equalizing assessments of real and personal property, said that the use of farm land sales for 1960 and 1961.

"Since this is the quadrennial assessment year for township counties in Illinois," Lambson said, "this survey is of great importance."

The initiative multipliers previously certified by the department in counties with township form of government were based on studies involving sales occurring in 1960, 1961 and 1962.

The survey indicated that average farmhand values in Illinois, except in some counties, have declined in recent years, Lambson said.

Lambson emphasized that the department is not making any assessment of the value of the land for the assessment year of 1971 for local taxes payable in 1972.

He further indicated that similar information was brought to the attention of the department with reference to certification made in 1970 for counties having the constitutional form of government, and was utilized in determining the E-1 factors for those counties.

In Memoriam 33
In memory of our dear mother, MRS. IDA TANNER who passed away March 6, 1969. Three long years ago today God called our dear Mother away. Her sweet smiles and gentle ways were always waiting for us. You left five children. Mother, we all loved you so dear. And with you on our minds we all shed many tears. And now each day, Mother, we must pray that God will guide and bless you. Show us the way to be with you dear Mother in that happy home some day.
Loved and sadly missed by her five children and all who knew her.
Freeman Humphrey, Delphia Wilson, Alva Humphrey, Elmer Humphrey and Lorens Fairless.
In loving memory of FRANK NEMETHI, March 8, 1942: Loving memory never dies. As years roll on and days pass by, In our hearts a memory is kept of one we love and never forget.
Sadly missed by—
THE FAMILY
In loving memory of CLARENCE FICKER who passed away March 6, 1971: Nothing can ever take away the love a heart holds dear. Fond memories linger every day, Remembrance keeps him near.
Sadly missed by—

"Our Electric Heat Pump keeps three generations comfortable"
— says Edward Creviston, R. R. Lake City, Illinois

With three generations living under one roof, you might expect heating comfort to be a problem. But not for the Edward Creviston family of R. R. Lake City, near Decatur, Illinois.
Their comfortable farm home is heated by an electric heat pump. In a properly insulated home, this remarkable system automatically maintains the indoor temperature to any desired degree, no matter what the outdoor temperature.
This same heat pump also cools the house in summer.
"The heat pump keeps the temperature right where we want it. And it keeps the whole family—ourselves, our parents and our children—mighty comfortable all winter, with no fuss and no worries about our heating system," says Mr. Creviston.
Perhaps an electric heat pump would be ideal for your home. For complete facts about this and other types of Electric Heat, just ask the residential sales representative at Illinois Power Company.

THREE GENERATIONS of the Creviston family relax in the electric heat climate of their home.
COMPACT AND EFFICIENT, the electric heat pump is a form of electric heating best installed in many Illinois homes. Here Edward Creviston and son, Dean, examine the unit that provides automatic temperature control for their home.

Householder also was charged with vandalism for allegedly setting fire to a mattress in the Venice jail after his arrest.

Theft of Auto Parts

Ed Edwards, 913 Greenwood St., Madison, reported to police at 12:40 p.m. Saturday that someone took four wheels and tires from a 1963 Rambler that was parked on the Sparks' Service Station lot. The tires were valued at \$20 each and the wheels at \$3 each, Edwards said.

Collide in Madison

The eastbound car of Michael E. Patterson, 2004 Fifth St., Madison, and the southbound car of Kenneth W. Mueller, Highway 203, Box 95, Madison, collided at Eighth Street and Alton Avenue in Madison at 5:05 p.m. yesterday.

Parked Car Struck

Mike Grba Jr., 51, of 2513 Washington Ave., reported to police his 1971 Chevrolet was struck by a hit and run driver while the auto was parked in front of his home. He reported the accident at 10:35 a.m. Saturday.

Arthur Haake, 78, Ill One Year, Dies

Arthur H. Haake, 78, of 2741 Harvey Place, Ill for the past year, died at 6:30 p.m. Saturday at the John Cochran Veterans Hospital in St. Louis. He had been a patient there two months.

Mr. Haake was born in St. Louis and operated a grocery store there until his retirement. He also resided in Dallas, Tex. for 20 years, moving to this area three years ago.

He was a member of St. Elizabeth Catholic Church and the American Legion in Dallas, Tex.

Mr. Haake is survived by his wife, Mrs. Minnie Haake. Funeral arrangements are given in today's obituary column.

Two Youths, Girl from GC Arrested in Wyoming

A 16-year-old Granite City girl and two youths, also of Granite City, were apprehended in Rollins, Wyo. with a stolen car Saturday, police were notified here. The car was stolen in Granite City.

Parents of the girl and one of the boys were notified. Military police in St. Louis were also notified of the arrest of the other boy who is in service. The young girl had been missing from her home since about 1:30 p.m. Friday, according to a missing persons report made by her father to Granite City police.

Heavy Absentee Vote Cast For Primary Election

Absentee voting for the Primary election March 21 has become increasingly heavy during the past week, County Clerk Eulalia Hotz said today.

Applications for absentee ballots may be obtained through her office by any properly registered voter. Requests may be made by phone, mail, or in person. It is apparent that new voters, primarily students, are taking a great interest in the primary, Miss Hotz said.

Applications for ballots may be made on behalf of persons in the U.S. Military or Naval Service by a parent, spouse, sister or brother. However, many bases have post card type applications available.

Persons who are incapacitated may vote an absentee ballot even though they are in the country on election day. Special application forms may be obtained from the county clerk. This type of application requires a physician's notarized statement attesting to the voter's incapacity.

The last day for making application by mail will be March 16. The last day for voting in person in the county clerk's Office will be March 18 from 9 a.m. to noon only.

Paper ballots are used for absentee voting; however, voting in the precincts will be on voting machines.

Hit-Run Accident

Leroy Chapman Jr., East St. Louis, told police his north-bound car was struck by an eastbound car which left the scene at Fourth Street and Highland Avenue in Madison at 2:45 p.m. Thursday.

Sample Cases Stolen

Three sample cases of children's clothing, valued at \$750, were stolen from the trunk of the car of Joe Ponce, 1221 Oriole St., Venice, parked at home, the owner told police at 7:40 p.m. yesterday.

Doerr Held Winner in Chouteau Board Vote

Walter Sparks, supervisor of Chouteau Township, said today he is considering an appeal to the Illinois Supreme Court of a ruling in circuit court at Edwardsville holding Albert Doerr of South Roxana as Democratic winner of the nomination as county board member in the 16th primary.

The ruling followed a recount of 16 ballots cast in District 16, in which both Doerr and Sparks picked up one vote for a final tally of 500 for Sparks and 505 for Doerr. The unofficial count also was a five-vote margin for Doerr, 504 to 499.

Sparks challenged the election count on grounds that enough ballots were marked so as to give him a primary victory. The court held, however, that the ballots were properly marked with a check mark rather than an x, were spoiled.

Sparks has been supervisor of Chouteau Township four years. Prior to that he was town clerk of the township.

Fire Damages House

Fire caused about \$500 damage to a vacant house at 2024 Harris St., Madison, yesterday. The building is owned by Floyd Lehart. Madison firemen were on the scene from 1:30 to 3:30 p.m. The blaze apparently was caused by burning rubbish nearby, firemen said.

Juvenile Charged In Attempted Burglary

A 16-year-old Madison boy was arrested outside of the Perdue Furniture Co. building, 910 Madison Ave., Madison, at 11:05 p.m. yesterday. He was charged with attempted burglary.

Madison patrolmen said they noticed the youth standing by a side door of the building near an alley. Upon investigating they found the folding metal door had been opened and a bolt used to secure it was lying on the ground.

In the boy's possession was a green money bag from Cadillac State Bank in Cadillac, Mich., police said.

2nd Barn Theater Trip Scheduled March 26

The Granite City Park District will sponsor a second trip to the Barn Dinner Theater, near Ellisville, Mo., Sunday, March 26, it was announced today by Harold Brown, park superintendent. Reservations are now being accepted.

The first barn dinner excursion proved very popular with all seats sold within days of the announcement appearing in the Press-Record, the park official said.

"So many calls have come in to the park office requesting another trip that we decided to go again right away," Brown advised.

The unique program features a buffet dinner and stage presentation at the Barn Dinner Theater, located in Missouri about a 60-minute journey by bus from the Quad-Cities.

Transportation is provided by chartered bus which will depart from the Wilson Park rink drive at 4:30 p.m. March 26. The buffet meal is served at 6 o'clock and the show begins at 7:30 p.m.

The theatrical production to be staged is "The Owl and the Pussycat," starring Julie Garfield and Jack Heller. Total cost of the meal, show and bus transportation is \$7.75 per person, Brown said.

Starting Friday, reservations can be made by calling the Wilson Park office, at 877-3069. Deadline for reservations, accompanied by funds, is March 17, the park official said.

Three Youths Arrested

Three juveniles were apprehended Saturday in two separate shoplifting cases at W.T. Grant Co. store, police reported. Two boys were caught after taking seven record albums worth \$32.50 at 2:15 p.m., and a boy was arrested in the theft of an alarm clock at 7 p.m.

Sport Coat Stolen

Mrs. Vina Law reported to police her rust-colored sport coat was taken from a coat rack at Pete and Mary's restaurant at 12:30 a.m. Sunday.
